Letter from Mrs Paulene Franklin received January 2007:

“I am writing this letter on behalf of the families of the girls in whose memory the Bell Tower was built at the entrance to the Girls’ College at St Stithians.

On behalf of Gareth and Laura Griffiths, Bill and Janette Houston, Rod and Liz Yaldwyn, Haydn and Paulene Franklin, our request is that if other plaques are to be put on the Bell Tower, they should only be those of girl scholars who have unfortunately passed away while still scholars at St Stithians.

The Bell Tower is a “friendship” tower and we request that no ashes are to be interred or placed near to the Bell Tower.”
