

### **Portfolio of Stephen Baytopp**

Stephen Baytopp has 20 years' experience of managing Game Farms in Botswana and the Soutpansberg (Limpopo), and 17 years of experience in Environmental and Outdoor Education. The extensive period of living and guiding in the bush has been central to the success of his career path in Outdoor/ Environmental Education.

At the various Education Centres that he has managed, Stephen has dealt with students of all ages and genders from South Africa, Botswana, International Volunteers, International Baccalaureate and Round Square students. His philosophy of participating in activities, leading by example, and sincerely parting his knowledge and mentorship, has been a platform for positive relationships to develop between himself and students.
