

SAINT STITHIANS COLLEGE

TRUST DEED

(As revised and incorporating amendments up to 28 January 2010)

BE IT HEREBY MADE KNOWN THAT on the 22nd and 30th days of April in the year of Our Lord One Thousand Nine Hundred and Forty One, before –

Cornelis Robert Weavind

Notary Public, then residing and practising at Pretoria in the then Transvaal Province, now Gauteng, by lawful authority duly admitted and sworn, and in the presence of Witnesses personally came and appeared:

**William Mountstephens,
William Aronsohn,
Charles Hobson Leake and
Gilbert Kidger Tucker**

in their capacities as Executors Testamentary (the "Appearers") in the Estate of the Late Albert Charles Collins, they having been duly appointed by Letters of Administration issued to them out of the Office of the Master of the Supreme Court at Pretoria on the 3rd day of December, 1937, which Letters of Administration were on that day exhibited to him, the Notary, and a certified copy whereof now remains filed in his protocol attached to the original thereof.

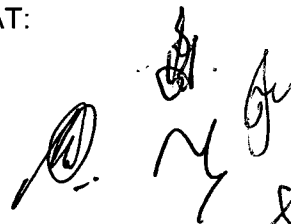

AND THE APPEARERS ON 22 AND 30 APRIL 1941 DECLARED THAT:

WHEREAS the late Albert Charles Collins ("Collins") did authorise the Appearers by his Last Will to utilize at their discretion the surplus of his Estate and Effects (the "Bequest") towards the establishment of a Methodist Educational School in Johannesburg, or its vicinity, under the control of The Methodist Church of Southern Africa ("MCSA");

WHEREAS the Appearers in their aforesaid capacities were desirous of carrying into effect the Bequest, subject to certain terms and conditions; and

WHEREAS they deemed it necessary and advisable to form a Trust for the administration of the funds and property so bequeathed, as also to lay down the conditions upon which the said school was to be established, maintained and conducted.

AND TRUSTEES IN OFFICE AS AT 29 JULY 2008 THEN DECLARED THAT:

WHEREAS the school had been duly established, maintained and conducted under the name of St Stithians College (the "College");

WHEREAS the Trustees then in office agreed to certain amendments to this Deed ("Addendum No 1"), excluding section 15(ii) hereof, by resolutions of the Trustees of 29 July 2008, to which amendments in relation to section 15 (save for its subsection (ii) which was not amended) the College Council (the "Council") agreed by resolutions of 8 September 2008; both the aforementioned sets of resolutions being approved by the Annual Conference of the MCSA on 20 September 2008, with the North Gauteng High Court consenting to all aforesaid amendments on 28 January 2010, which amendments have been receipted as filed on 11 August 2010 by the Master of the High Court under entry 67 on page 89 of receipt book 81/140673 B18 2010; all the aforementioned being done in accordance with the terms of sub-sections 15 (xiv) and 15(xv) of the provisions of this Deed as they were prior to the amendments set out in Addendum No 1.

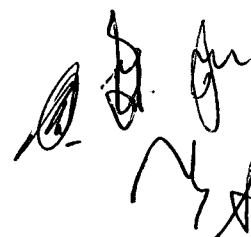

WHEREAS IT WAS PROVIDED IN ADDENDUM NO 1 that the commencement date of the amendments was to be the day on which the said High Court consented to them; and in terms of the said amendments it was agreed and declared by the MCSA, the Trustees and the Council, and consented to by the said High Court, that:

- A the conclusion of the Deed on 30 April 1941 (the "Inauguration"), being the date of signature of the person last appearing before the Notary, and the consequent implementation of the terms of the Trust were in fulfilment by the Appearers of Collins' declared wishes in respect of the Bequest, namely, that the residue of his estate be utilised by them *"at their discretion ... towards the establishment of a Methodist Educational School in Johannesburg, or its vicinity, under the control of The Methodist Church of South Africa"*;
- B the true intent of this legacy in relation to the College being a "Methodist Educational School" under the "control" of the MCSA has from the outset been, and is now understood by the MCSA, the Trustees and the Council to be, that the College is a church school espousing a Christian Methodist ethos and set of values as a discrete, self-governing institution, and that the MCSA exercises its influence in relation to good governance and the exercise by the Board of Trustees of their fiduciary duties through its representation on the Board and on the Council: while the MCSA has in this way a strong say in all matters concerning spiritual welfare, religious instruction and worship at the College, it has never had nor exercised nor wished to exercise control over the management and operations of the College, nor could it in view of its minority representation on the various governing bodies relevant to the Trust and the College Council; and
- C the Trustees were to procure that an updated revision of the original Deed be produced, incorporating all the amendments in Addendum No 1, rendering references consistent and gender inclusive and modernising certain outdated terms.

THEREFORE AS AT THE INAUGURATION THESE PRESENTS

WITNESSED, AS THEY DO NOW, THAT the Appearers, in fulfilment of the Bequest, did by these Presents make over, cede, assign and undertook to transfer in due and customary form unto and on behalf of the Trustees as at the Inauguration and their successors in office, the Bequest (the "Endowment Fund") with full power and absolute authority to stand seized and be possessed thereof, and all the right, title and interest, claim and demand whatsoever of them, the said Appearers, of, in and to the same upon trust and to and for the uses, intents and purposes and under and subject to the conditions, reservations and provisions hereinafter mentioned concerning the same, subject to the amendments in Addendum No 1 incorporated herein, that is to say:

- 1 THE ENDOWMENT FUND shall, save as is hereinafter provided, be applied solely for the purpose of establishing, equipping and maintaining an educational school, and such playing fields and sport facilities as may be required and be deemed to be necessary in Johannesburg or its vicinity, under the control of the MCSA, meaning that the MCSA shall, first, have the final say in all matters at the College concerning spiritual welfare, religious instruction and worship and, second, exercise its influence in relation to governance of the Trust and the College through its membership of the Board of Trustees and of the Council.
- 2 THE TRUSTEES shall sell or otherwise dispose of the share in any property which is made over or transferred to them in terms of these Presents, jointly with the owner or owners or Executors of the owner or owners of the remaining shares in such property and not otherwise, unless they shall have obtained the prior consent in writing of such persons to such sale or other disposal.
- 3 THE TRUSTEES shall submit for approval any property which they may deem suitable for College purposes as also the plans, specifications and lay out of any buildings and playing fields which they propose to erect or construct, together with an estimate of the cost thereof to the Presiding Bishop, which approval is not to be unreasonably delayed or withheld, and shall be bound by his decision.
- 4 THE TRUSTEES shall retain such part or portion of the Endowment Fund which may not immediately be required for the purposes set out in the preceding paragraph and invest the same in the manner hereinafter set out,

THE TRUSTEES may invest the surplus of the Endowment Fund in any one or more of the following securities and from time to time vary such investments in such manner as they may deem expedient provided this is done in any manner as required in terms of Section 10(1)(cN) or Section 30(3)(b)(ii) of the Income Tax Act, No. 58 of 1962 as amended from time to time ("the Act"). The provisions of this Deed will be deemed to have been amended to the extent necessary if and when the Act is amended in this regard, without requiring formal amendment in terms of this Trust Deed, for as long as this Trust is registered as a public benefit organisation ("PBO") under the Act.

- (5) THE TRUSTEES shall have power on the recommendation of the College Council to realise from time to time, any investments which they may have made for the purpose of raising such amount as the said Council may deem essential for improvements to or extensions of the College premises, and to apply the proceeds of such realisation for such purposes. When the whole of The Endowment Fund shall have been applied for such purposes, the Trustees shall have further power, in their sole and absolute discretion, to borrow money for the like purpose, and to secure the repayment thereof and the interest thereon, by hypothecating or pledging such properties as they may have in their possession, upon such terms and conditions and for such amounts as may be approved by the College Council, provided that in this event, the said Council shall bind itself in a manner satisfactory to the Trustees, for the due payment of such interest as may from time to time accrue upon the amount of any loan.
