

INSPIRING EXCELLENCE. MAKING A WORLD OF DIFFERENCE

St Stithians College is a proudly South African school, embracing diversity and offering a distinctive educational experience. Founded as a Methodist Church School, our Christian spirituality is central to our identity. Our College consists of primary and secondary boys' and girls' schools, together with a co-educational junior primary school. We are an independent, non-profit institution located on an expansive green campus in Sandton, Johannesburg. In addition, St Stithians incorporates Kamoka Bush School near Modimolle, and the Thandulwazi Maths & Science Academy on our Campus. As a College we are intent on Inspiring Excellence and Making a World of Difference.

HEAD OF DEPARTMENT: MATHEMATICS (GIRLS' COLLEGE)

The College invites applications for the following position which will be available from 1 January 2018.

Applications are invited from suitably qualified and experienced individuals who believe they have the required skills and competencies to take on this position.

The requirements of the position:

- BSc Degree and relevant teaching qualification
- Post graduate qualification would be an advantage
- Experience in IEB Matric Mathematics marking (and curriculum development) would be a distinct advantage
- An excellent all round knowledge of Mathematics with a passion for the subject
- Experienced in developing learning and teaching material and assessment practices per IEB requirements and the needs of the learners
- A sound and progressive understanding of the South African curriculum and international trends in education
- A passion for teaching and for the young women whose learning you are expected to inspire
- Strong ability to manage and mentor both a large department of experienced teachers and intern teachers.
- Willingness to embrace rapid changes in education and an interest and ability to integrate ICT into your teaching and learning.
- Willingness to collaborate with other Heads of Departments on Campus to further the love of maths and curriculum development.
- Promote mathematical excellence and extension of top students through olympiads (training), Tour de Maths, NBT type training.
- Continue with support structures for students needing assistance and support.
- An ability to be flexible and embrace change
- An unequivocal commitment to working as part of an accomplished team
- Ability to take initiative and to act decisively
- Ability to inspire and encourage people to seek and maintain high standards of performance
- Proof of registration with SACE
- Any staff member working within a school is required to have a sexual offender's clearance certificate
- A willingness to work within the Christian ethos of the College as well to participate in the broader life of the school

Should you be interested in applying for the above-mentioned position, please forward a letter of motivation, which clearly indicates the position you are interested in together with your curriculum vitae, and the names and telephone numbers of two referees by no later than **18 August 2017**:
