

**St Stithians College is a proudly South African school, embracing diversity and offering a distinctive educational experience. Founded as a Methodist Church School, our Christian spirituality is central to our identity. Our College consists of primary and secondary boys' and girls' schools, together with a co-educational junior primary school. We are an independent, non-profit institution located on an expansive green campus in Sandton, Johannesburg. In addition, St Stithians incorporates Kamoka Bush School near Modimolle, and the Thandulwazi Maths & Science Academy on our Campus. As a College, we are intent on Inspiring Excellence and Making a World of Difference.**

## BOYS' COLLEGE

St Stithians Boys' College is a leading South African boys' school, which constantly strives for excellence in providing a relevant and rigorous education, and for best practice in the education of boys. As a Methodist school, we have a conscious focus on the "Saints Honour", namely to 'Honour God, Honour others and Honour self'.

Our "seven pillars" support the life of every boy at the Boys' College: academics, sport, culture, community service, leadership, outdoor education and spirituality. Through these pillars, we encourage each boy to realise his maximum potential as a citizen of significance of this school and in our country, in a stimulating and safe environment.

Our mission, purpose and passion is to walk the path towards manhood with our boys, and support them as they emerge as "great young men", ready to serve, lead, contribute and make a difference in our world and in the lives of others.

## HOD/Senior Teacher: Physical Science

The Boys' College invites applications for the abovementioned position which will be available from 1 January 2019 or by negotiation.

Applications are invited from suitably qualified and experienced individuals who believe they have the required skills and competencies to take on this position.

The requirements for this position are:

- BSc Degree (Physics and / or Chemistry majors) and relevant teaching qualification
- Post graduate qualification would be an advantage, e.g. Honours / Masters
- Academic experience in IEB Matric Physical Science marking (or being an examiner or developing curriculum development) would be a distinct advantage
- Experienced in developing learning and teaching material and assessment practices according to IEB requirements and the needs of the learners
- An excellent all round knowledge of Physical Science with a passion for the subject
- Leadership skills – leading a successful department
- Good management skills including being a people's person and a team player
- Strong mentorship skills of colleagues in the department
- Understanding of different roles and strengths of the members within the department
- Willingness to embrace rapid changes in education and an interest and ability to integrate IT into your teaching and learning
- An ability to be flexible and embrace change and the ability to take initiative and to act decisively
- A passion for teaching and for the young men whose learning you are expected to inspire
- An unequivocal commitment to working as part of an accomplished team
- Ability to inspire and encourage people (boys and staff) to seek and maintain high standards of performance
- A sound and progressive understanding of the South African curriculum and international trends in education
- A commitment to on-going personal and professional development
- An awareness of the nature of the school and willingness to commit to its all-round ethos, co-curricular activities and pastoral approach
- Proof of a sexual offender's clearance certificate
